

### ■ SIMPLE ADORNMENTS

Simple jewelry always looks elegant and sophisticated—adding just a touch of sparkle to your ensemble.

Clear citrine and sterling silver were paired in these beautiful earrings by local designer **Marissa Moment Brown**.

Brown creates gorgeous handmade pieces using natural stones, sterling silver and gold for her company, **Artwear Designs**.

**Artwear Designs** includes one-of-a-kind earrings, bracelets and rings. ■ Earrings are \$21 at **Haute Market** events, [hautemarket.com](http://hautemarket.com); custom orders online at [artwear-designs.com](http://artwear-designs.com).

### ■ SHEER DELIGHT

In the heat of summer, the coolest way to dress is in sheer lightweight fabrics that offer enough coverage for a chilly air-conditioned office.

An empire waist and bell sleeves were combined with a fun zebra print in this top by **Gobble**. Local fashion source **Frankie and Jules** offers up trendy and affordable clothing, including Gobble, at **Haute Market** events in Overland Park.

If you'd rather stay home, Frankie and Jules also sell their wares at home trunk shows by appointment. ■ Top is \$39.95 at **Haute Market** events, [hautemarket.com](http://hautemarket.com). For more information go to [frankieandjules.com](http://frankieandjules.com).

### ■ NECKLACE NOTES

Love inspires creativity, but the angst behind love fuels bold ingenuity.

**Leigh Ann Prier**, KC jewelry artist of **Rare Adornment**, used a love letter and goodbye letter in this striking necklace. She used paper and ink coated in resin and burned them, resulting in negative space.

Each of Prier's pieces is one of a kind and handmade.

■ Necklace is \$45 at **Haute Market** events, [hautemarket.com](http://hautemarket.com); **Magnum Opus** in Bonner Springs, 135 N. Nettleton, 913-441-0876; and online at [rareadornment.com](http://rareadornment.com).

### ■ EYE-POPPING COLOR

Summer is a great time to wear fun eye color that complements tan skin.

Local company **Lover Cosmetics** has a collection of limited edition shimmer eye shadows that give you a burst of color. Use the **High Definition Loose Paints** sparingly for sheer color, or layer it on for brighter color.

Lover offers a full line of makeup including lip, cheek, eye and face colors.

■ Eye shadows are \$16 at **Haute Market** events, [hautemarket.com](http://hautemarket.com); and online at [lover-cosmetics.com](http://lover-cosmetics.com).
